Community Hospital Hires Director of Human Resources

Mesa County, CO - Community Hospital is pleased to announce Amy Jordan as the new Director of Human Resources (HR). Amy earned her bachelor of science degree in aviation from Utah Valley University in Orem, Utah and holds a master of public administration degree from the University of Colorado. Amy has over 13 years of experience in employee relations, talent acquisition, and payroll and benefits. Amy will join Community Hospital on Monday, October 26, 2020.

Most recently, Amy served as Director of Human Resources for Critical Nurse Staffing, LLC. Amy is a leader in the HR field with strong interpersonal skills and the ability to develop and provide effective working relationships with management and staff.

"We are thrilled to have Amy lead our Human Resources Department," said Chris Thomas, President and CEO for Community Hospital. "Community Hospital has experienced exponential growth over the past several years and having a strong HR team is essential to the cohesive oversight of a thriving health care organization. The hiring committee was extremely impressed by Amy's strong attention to detail and her critical thinking skills in various situations. We are confident Amy will prove to be a valuable asset to not only the HR Department but Community Hospital as a whole," added Thomas.

"I am honored to have the opportunity to join the Community Hospital team and to build on the great work that has already been done to transform Human Resources," said Amy Jordan. "It is exciting as an HR leader to have the opportunity to join an organization already fully committed to transformational processes and leading-edge practices. I look forward to partnering with HR colleagues, leadership and all other members of the Community team to support growth and development, as well as to focus on other strategic priorities related to recruiting and retaining exceptional talent," added Jordan.

In 2018, Community Hospital hired nearly 400 employees and in 2019, over 300 new hires were added. To date, an additional 238 employees have been hired at Community Hospital in 2020. These new positions help support added service lines at Community Hospital such as spine surgery, rheumatology, pulmonology, orthopedics and much more.
