Community Hospital Foundation Unveils Donor Bricks and Pavers as Part of Fundraising Campaign for New Hospital

Mesa County, Colo.--- The Community Hospital Foundation will host an unveiling of donor bricks and pavers **Monday, June 12th at 10:00 am** to honor those who helped support the new hospital and celebrate the continued growth and success of the new facility. The event will take place at the main entrance of Community Hospital located at 2351 G Road (just west of Canyon View Park).

The Brick and Paver Program is a fundraising campaign to help support Community Hospital and the community members it serves in the Grand Valley and surrounding areas. Each of the bricks and pavers will have a prominent placement in front of Community Hospital.

The Community Hospital Foundation launched the brick fundraising campaign in 2012 and added the opportunity for community members to purchase larger pavers in 2015. To date, the fundraising campaign has raised nearly \$90,000.00.

“This is a great start to the Brick and Paver Program for Community Hospital,” said Chris Thomas, President and CEO at Community Hospital. “The unwavering support of our community has helped make us who we are today. With the community’s help, we can continue to champion accessible, high quality and cost effective care for patients in the Grand Valley,” added Thomas.
