**HEALTH OFFICIALS OFFER MEDIA AVAILABILITY ON ACTIONS
BEING TAKEN LOCALLY FOR COVID-19**

Mesa County Public Health and local hospitals will provide a joint update on COVID-19 during a press conference at 10 a.m on Wednesday, March 18, at Mesa County Public Health (510 29 1/2 Road, Grand Junction).

Healthcare and public health officials will update media representatives on the current status of COVID-19 in Mesa County and the local response to the virus.

Special Instructions: Media planning to attend should meet near the front entrance of the Mesa County Public Health. A representative will escort media to the room where the press conference will open just prior to 10 a.m.

SPECIAL NOTE FOR MEDIA: A virtual (call-in) option will be offered for media who wish to participate remotely. Representatives from area hospitals will be available and willing to answer questions from reporters.

Please visit Mesa County Public Health's community resource webpage for current, reliable information on COVID-19: <https://health.mesacounty.us/covid19/>
