### Community Hospital Certified as Healthy Workplace Leader for Fourth Year in a Row

Health Links™ recognizes Community Hospital as a Certified Healthy Workplace Leader, a top honor!

Mesa County, CO - Community Hospital has been recognized as a Health Links™ Certified Healthy Workplace Leader for their commitment to creating a culture of health and safety in the workplace. This is the highest level of recognition offered by Health Links™. Community Hospital has continually demonstrated the highest level of commitment and dedicated resources to team member and community health and safety.

Health Links™ is a signature program of the Center for Health, Work and Environment at the Colorado School of Public Health. Health Links assesses businesses via an online assessment tool that benchmarks their health and safety efforts. Health Links™ also provides businesses with expert advising and connects them with community resources to help them bring health to work.

“We are extremely proud to have earned this certification for the fourth year in a row” stated Lana Birch, Wellness Coordinator at Community Hospital. “We plan to continue our efforts to provide the best possible programs for our employees,” added Birch.

Employee wellness is a key component of the organizational culture at Community Hospital. The Community Hospital Wellness Committee is fundamental in ensuring the program’s success. The wellness program at Community Hospital is composed of a variety of challenges and interventions that address areas of improvement established during annual employee health screenings.

“We are thrilled to once again champion health and wellness not only in our organization, but throughout the community” said Tawny Espinoza, VP of Business Development.
