

JOB DESCRIPTION

TITLE: DME and Outreach Coordinator
DEPARTMENT: Physician Practices
REPORTS TO: Practice Administrator
FLSA: Exempt

SUMMARY OF JOB:

Coordinating the daily operational aspects for the department's Durable Medical Equipment (DME) program which includes fitting products on patients, ordering and maintaining inventory of DME products, and partnering with Materials Management regarding inventory and ordering supplies for back office medical staff. Additionally, responsible for developing and overseeing community outreach events and partnerships by organizing medical staff and managing event coordination.

RESPONSIBILITIES:

Colorado West Healthcare System expects job performance to be consistent with its mission and believes that each Employee contributes to improve performance by continuously searching for ways to increase efficiencies and enhance fiscal performance and viability.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

(The following statements are illustrative of the essential functions of the job and do not include other non-essential or marginal duties that may be required. Community Hospital reserves the right to modify or change the duties or essential functions of this job at any time. All responsibilities may not be performed by all incumbents.)

1. Manage DME inventory levels and patient consults.
2. Order DME products, label products with correct coding and pricing per industry standard, and track through inventory control software.
3. Produce monthly report of all DME products provided to patients.
4. Complete inventory on a quarterly basis to stay current regarding new products and discontinued products.
5. Update Allscripts PM when new products and codes need to be added.
6. Order and maintain inventory for back office supplies in partnership with Material Management department.
7. Provide assistance to Physicians as needed on all DME consultants and serve as a resource for hospital durable medical equipment needs.
8. Assist in the development and ongoing supervision of outreach program by coordinating medical coverage and allocating resources on a per event/activity basis.
9. Develop and sustain local and regional partnerships that enhance and promote departments/organizations brand while supporting community needs.
10. Supervision of athletic training team at all outreach and community activities, working in collaboration with Clinical Operations Manager on personnel schedules.
11. Facilitate negotiations between department/organization and professional partners regarding development of athletic training staff in the field.

12. Serve as liaison between professional partner's staff and departmental staff in coordination of DME, in-office exams, x-rays, MRI's and surgeries.
13. Partner with Physicians in coordinating professional coverage at events, training rooms, and other activities as determined through relationships with community partners.
14. Other duties as assigned.

QUALIFICATIONS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.
