Community Hospital Hires Chief Operating Officer/Chief Nursing Officer

Mesa County, CO - Community Hospital is pleased to announce Dr. Carolle Anne Banville as the new Chief Operating Officer/Chief Nursing Officer. Dr. Banville holds three doctoral degrees and brings over 30 years of experience to her new position.

Most recently, Dr. Banville served as Director of Trauma Services and Interim Emergency Service Line for UC Health in Aurora, Colorado. Dr. Banville also served as President of Banville Trauma & Critical Care Consultants, LLC and is a Colorado Department of Public Health and Environment (CDPHE) Advisory Board Member.

"We are extremely excited to have Carolle Anne join our team," said Chris Thomas, President and CEO for Community Hospital. "Her level of expertise will prove invaluable as we work to move our organization forward. Everyone involved in the interview process was highly impressed with her energy and we look forward to Dr. Banville continuing to build upon the success we have enjoyed at our new facility," added Thomas.

Community Hospital has experienced exponential growth over the past five years with added services lines such as full spectrum medical and radiation oncology, labor and delivery, ear, nose and throat and facial plastic surgery services and much more. Since opening the new hospital, now a Level III Trauma Center, volumes have increased over 40%, over 900 babies have been delivered at the new hospital, including seven sets of twins.

"I am honored to join such a dynamic, forward-thinking health care organization," said Dr. Carolle Anne Banville. "I was extraordinarily impressed by Community Hospital's innovative nature and steadfast approach to improving the patient experience and overall quality of care," added Dr. Banville.
