Community Hospital Physician Earns THIRD Board Certification

Mesa County, CO - Community Hospital physician, Brent Woodson, DO with Advanced Pulmonary and Critical Care of the Grand Valley earned his third board certification in November 2016. Dr. Woodson is now triple board certified in Internal Medicine, Pulmonology, and Critical Care/Intensivist.

Dr. Woodson specializes in advanced pulmonary and critical care medicine. He provides consultations for individuals with diminished lung function as well as patients with Chronic Obstructive Pulmonary Disease (COPD).

“Community Hospital is extremely fortunate to have such a dedicated medical staff,” said Donald Nicolay, MD, Chief Medical Officer for Community Hospital. “Earning triple board certification lends credence to the level of high quality care we are able to provide in our critical care unit. This speaks to the continued growth and success of our organization,” added Dr. Nicolay.

Dr. Woodson earned his osteopathic medical degree from Kansas City University of Medicine and Bioscience. He completed his residency in Internal Medicine and fellowship in Pulmonary and Critical Care at Valley Hospital with OPTI-West and Touro University Nevada College of Osteopathic Medicine partnership in Las Vegas, Nevada.

His fellowship training in Las Vegas provided an extensive knowledge base to treat individuals with poor pulmonary function. Dr. Woodson prides himself in maximizing the quality of time he is able to offer his patients at his office. In addition, Dr. Woodson eagerly works with other highly specialized physicians and staff within Community Hospital to ensure the best possible care for each patient.

Advanced Pulmonary and Critical Care of the Grand Valley is located at 2373 G Road, Suite 160, adjacent to the new Community Hospital. They are open Monday-Friday 8 am-5 pm. To schedule an appointment, please call 970-263-2680.
