Community Health Partnership

A service provided by:

Community Health Partnership Services:
• CHP Hotline
• Primary Care Visits
• Virtual Visits - NEW
• Acute Care Visits
• Diagnostic Tests
• Lifestyle Modification
• Health Coaching

Medical Clinic Benefits
April 2018 - March 2019
We are excited you have chosen Community Hospital. We are glad to partner with you and we know we will be Better Together.

Healthcare costs in the Grand Valley have been growing out of control for far too long. Together we will continue to lower healthcare costs for you and your employer by focusing on prevention and wellness. We continue to expand the narrow network plan design and enhance your medical clinic benefits. Be sure to read page 9 and learn more about our latest service: Virtual Visits.

Your days are busy. You don’t have time to worry about health issues and healthcare costs. Rest assured, our partnership exists to make the process easier and enjoyable. We’ve got you covered.

Chris Thomas, President & CEO
Community Hospital
What procedures/services does Community Hospital offer?  
What about labs, x-rays, mammograms, MRIs?  
What services does Community Hospital not provide?

Our team will help you navigate the health care system and provide answers to your health plan questions. Call the toll free number below to speak directly with the CHP Partners Hotline team member. Calls or emails received by 5 p.m. will be returned by 5 p.m. the following business day. To best serve you, calls and emails can be made to the hotline 24 hours a day, seven days a week. If a team member is not available at the time of the call, please leave a message. All calls and emails will be returned in a timely manner.

1-877-535-2295  
or  
chp@gjhosp.org

Advantages of using the hotline:

- **Customer Satisfaction** – A hotline team member, you will be able to better understand your options before making a decision  
- **Stay Up-To-Date** – The hotline will keep you informed of the most recent developments, including new services offered by Community Hospital.

- **Education** – Healthcare is complicated! Take advantage of the CHP Hotline team as you begin to navigate your new health plan and new medical clinic options.

Community Health Partnership Services

Acute Care Visits - Do you or your child have a minor illness or injury? Do you have a cough, fever, sore throat or perhaps need stitches or an x-ray?

Community Care of the Grand Valley accepts walk-ins and appointments for acute health care medical needs for a $25 copay. The clinic is staffed by physicians and mid-level providers. We are open late and on weekends to better serve you and your family.

(970) 644-3740 • 1060 Orchard, Suite N,
Hours: Monday - Saturday 8:00 am - 8:00 pm
Sunday 12:00 pm to 4:00 pm

Acute Care & Emergency Visits

Not sure where to go for acute medical care when Community Care of the Grand Valley is closed? Please call your primary care provider first. If necessary, they will direct you to visit the emergency department. Emergent care visits will be billed to your medical plan.

(970) 644-3100 • 2351 G Road
(Please drive to the back of the building)
Open 24 hours a day & 7 days a week
The following tests are included with your primary care visit or acute care visit at no charge. Further analysis of tests may incur additional charges and will be billed to your Strive medical plan.

- Comprehensive Metabolic Panel
- Lipid Panel
- Urinalysis
- Glycosylated Hemoglobin Test (A1C)
- Prostate Specific Antigen (PSA)
- Thyroid Stimulating Hormone (TSH)
- Complete Blood Count (CBC) w/ auto diff
- Strep Culture / Confirm
- Pap Test

Community Hospital proudly offers three draw stations for your lab and radiology needs:

**Community Hospital Lab on Horizon**
*Please note that this location does not have x-ray abilities.*
743 Horizon Court, Suite 102, Grand Junction, CO 81506
Hours: Monday - Thursday, 8 am - 1 pm
Phone: (970) 644-3290

**Community Medical Plaza**
*Please check in at Community Care of the Grand Valley*
1060 Orchard, Suite N, Grand Junction, CO 81501
Hours: Monday - Friday, 8 am - 5 pm
Phone: (970) 644-3752

**Community Hospital Imaging & Lab**
2373 G Road, Suite 140, Grand Junction, CO 81505
Hours: Monday - Friday, 7 am - 6:30 pm & Saturday, 8 am - Noon
Phone: (970) 644-4345
As part of your CHP membership the following lifestyle modification services at no cost to you!

Lifestyle Medicine Program

The goal of Lifestyle Medicine is to replace unhealthy behaviors with behaviors that promote health. These include, but are not limited to, optimum nutrition, physical activity, stress management, and improved interpersonal relationships. A team of Lifestyle Medicine trained professionals provide specific interventions designed to improve your health.

The program includes:
- Initial provider visit
- Nutrition assessment and plan
- Exercise evaluation and plan
- Cooking Demonstrations
- Ongoing support and accountability

*Program offered two times a year, available to participants who see a specified CHP Medical Clinic Provider.
Health Coaching - Health coaching is a FREE personal approach to enhance wellness and assist with navigation of the healthcare system. Through a series of interactions, your health coach will help you determine health priorities, develop strategies, and create a plan of action.

You can receive up to 12 free coaching visits a year! Health coach services may include:

- Access to Primary Care / Appointment Scheduling
- Healthcare Liaison Services
  » Referrals to community resources
  » Researching medical questions and test/procedure costs
  » Assistance with insurance claims/pre-approval process
- Lifestyle Modification
  » Nutrition and exercise evaluation/education
  » Chronic disease management
  » Tobacco cessation

To schedule an appointment please call Danielle at 263-2639
