

## Community Hospital Volunteer Opportunities

Volunteers are an essential part of Community Hospital. They bring their own unique qualities, time and energy to our patients, visitors, employees and physicians. It is our hope that our volunteers find the satisfaction and personal fulfillment that comes with serving others and being a part of a worthwhile cause. Volunteering is an opportunity for adults to give back some of their life-learned skills and for students to test a potential career path. Join us today!

**The Flying Pig Volunteers** assist the kitchen and dining room staff with stocking items, cleaning tables, sweeping and mopping.

**For more information,** please contact Christina O'Dell, Director of Volunteer Services, by calling (970) 644-3541 or email [codell@gjhosp.org](mailto:codell@gjhosp.org)!
