

COVID-19 Vaccination Information

Thank you for your interest in scheduling your COVID-19 vaccination. Community Hospital is awaiting COVID-19 vaccines to administer to Coloradans ages 70 and up. This link will be activated once we receive the vaccines.

Residents may also call the Community Hospital COVID-19 vaccination line at 970-644-4015 to schedule a COVID-19 vaccine. **PLEASE NOTE:** the voicemail will not be activated or checked until vaccines become available. Once we receive vaccines to administer to Coloradans ages 70 and up, the voicemail and web link will be activated for individuals to register to schedule their COVID-19 vaccine.

Thank you for your patience!
